Re: Thank You!

Marcie,

I just wanted to send you a brief note to thank you for your taking the time to connect MindHR with the right people to help companies find what they are looking for.

Within a month of being within your network I met solid business contacts. Your energy and devotion to seeing success is contagious. You have provided MindHR an opportunity to not only develop as an independent company but helped other companies find solid employees through MindHR's services.

I always enjoy meeting you and the members within the business Match Making process. Thank you again for inviting me to join Let's Get Going.

If you have questions or comments, please feel free to contact me as I always look forward to hearing a friendly voice.

Best regards and I wish you as much success as you provide for others.

Sincerely,

JGlazer
