Re : Your performance to date ...

Marcie you're the greatest!

Far better than « *networking* » this is corporate matchmaking at it's best !

Not only do you save me from wasting precious time in meetings with people who have nothing to do with what MY business is about, but you even select, introduce me and arrange cosy meet-and-greets or one-on-ones with the members of your group who are most relevant to MY business development.

You have great people in your network, Marcie and you, you're a one-woman sales force.

Thanks for doing my work for me.

So ... when's our next meeting ? :-)

Gratefully yours,

Jacques L. Archambault, chra
