Dear Marcie,

The first time I heard about LETS GET GOING, I immediately saw a strong fit and common goals. Marcie at Let's Get Going is there to help us GROW our business by developing relationships with other businesses. Marcie's energy as well as her dynamic and personalized approach provide a significant source of motivation for her members.

Since we joined Let's Get Going, we have had the opportunity to attend a number of seminars that have provided us with a deeper understanding of the SME market. With this valuable insight we can help the SME better understand the value of their brand and provide them with the fundamentals to develop a powerful direct marketing campaign.

Marcie also helped us grow our business by introducing us to a number of high quality entrepreneurs and businesses that we are now proud of servicing. The relationship that Let's Get Going and NEBS have developed is vitally important and supports our mutual goals in providing relevant solutions to the Canadian SME market.

I want to take this opportunity to thank you for helping NEBS and Canadian businesses build key relationships that are essentials for their growth. Your vision, your dedication and your energy are only few elements that are making you and Let's Get Going a unique venue.

We are proud to be part of the Lets Get Going group, to network with your members and to help businesses START – MANAGE – GROW.

Thank you again Marcie for making strong business relationships happen!
